

REQUEST FOR PROPOSAL NO. 20008-A22-04

Stormwater Program Management Services

Questions and Responses

( Addendum No. 2 )

**Q1.** Please confirm that 11x17 counts as 1 page.

***A1. Confirmed.***

**Q2.** Please confirm it is acceptable to include brief supplemental materials in an appendix that provides additional details and/or examples to the approaches and solutions we are recommending in our proposal.

***A2. Confirmed; however, it will not be considered as part of the evaluation.***

**Q3.** The RFQ states that the scope will include aspects of Public Relations as follows:

Public Relations: Work with the Public Relations consultant to ensure the public education and training programs;

Can you provide information as to what is in the existing consultant's scope, and who that consultant is, so that we have a better understanding of what is being requested from the bid respondents on this topic?

***A3. There is no existing public relations consultant. An RFP for these services will be advertised in the near future.***
